

Skill Builders

Language & Literacy Services

We now offer Language & Literacy as part of our Skill Builders services. The Language & Literacy services are geared toward children having difficulty with grade level reading, writing and expressive language skills.

Activities and strategies are modified to meet the individual needs of each child in order to create a positive and fun learning experience.

Lead Specialist Danielle Whitsed

Danielle has a Bachelors degree in Elementary Education/Child Development from Cal State Fullerton and a Masters degree in Special Education from George Mason. She has been working with children for over 20 years and is currently a Special Education teacher in the Fairfax County Public School system.

“There is a brilliant child locked inside every student.” - Marva Collins
